

EAGLE LANDING HOA

PUBLIC ANNOUNCEMENT

EAGLE LANDING HOA GOODWILL PROGRAM

The core mission of your HOA is to maximize property value by maintaining the high standards established in the Covenants, Conditions, and Restrictions. After a year of resident-controlled HOA management, we are on a positive trajectory to improve both the appearance and the quality of life in Eagle Landing.

As the new HOA enters year two, we have identified an opportunity to add even more value to the community beyond neat, clean, and orderly neighborhoods. Beginning this year, the Eagle Landing HOA will be sponsoring and hosting quarterly Town Hall Meetings and Fireside Chats featuring government and community leaders as guest speakers. Topics will be designed to provide residents of Eagle Landing insight and education on those matters that impact our daily quality of life as well as a vision into the future of Clay County and Eagle Landing. We think you will appreciate and enjoy this new HOA goodwill program.

The first Town Hall Meeting/Fireside Chat series is scheduled for April 18, 2023 from 6:00pm to 7:30pm at The Landing Banquet Room in the Eagle Landing clubhouse. The Guest Speaker is none other than our new Clay County Commissioner, Alexandra Compere. Topics to include:

1. State of the County
2. County agendas that will contribute to healthy and sustainable future growth
3. Issues and opportunities directly impacting Eagle Landing residents

Refreshments and hors d'oeuvres will be complimentary prior to the meeting and seating will be limited. We ask that you RSVP at eaglelandingbod@gmail.com with your name and address so that a seat may be reserved for you. A full house is expected.
